

Oh no [oh no]
Oh no [oh no]

Here we go now [Here we go now]
Here we go now

Got a crazy feeling I don't understand
Gotta get away from here
Feelin' like I should have kept my feet on the ground
Waitin' for the sun to appear

Mamma's gonna worry
No use sayin' sorry

I've been a bad bad boy
It's something that I enjoy

'cause you can't see what my eyes see
I can see it! I can see it!
And you can't be inside of me
Flying high again [again]

I can see through mountains, watch me disappear
I can even touch the sky
Swallowing colours of the sound I hear
Am I just a crazy guy, you bet

Mamma's gonna worry
No use sayin' sorry

I've been a bad bad boy
It's something that I enjoy

If you could be inside my head
You'd see that black and white is red

Flying high again [again]
Flying high again [again]
Come on and join me!

Flying high again
Flying high again

[Solo]

Flying high again [again]
Flying high again [again]

Flying high again
Come on and join me!

Oh no [oh no]
Oh no [oh no]

Here we go now [Here we go now]
Here we go now

Daddy thinks I'm lazy he don't understand
Never saw inside my head
People think I'm crazy but I'm in demand
Never heard a thing I said

Mamma's gonna worry
No use sayin' sorry

I've been a bad bad boy
It's something that I enjoy

Flying high again [again]
Flying high again [again]

Flying high again [again]
Flying high again [again]
