

Well talk on the street  
Says you might go solo  
A good friend of mine  
saw you leavin' by your back door

I need to know, I need to know  
If you think you're gotta leave  
Then you better say so  
I need to know, I need to know  
Cause I don't know how long I can hold on  
If you're making me wait, if you're leadin' me on  
I need to know

Who would've thought that  
You'd fall for his line  
All of a sudden  
It's me on the outside

I need to know, I need to know  
If you think you're gotta leave  
Then you better say so  
I need to know, I need to know  
Cause I don't know how long I can hold on  
If you're making me wait, if you're leadin' me on  
I need to know

I need to know, I need to know  
If you think you're gotta leave  
Then you better say so  
I need to know, I need to know  
Cause I don't know how long I can hold on  
If you're making me wait, if you're leadin' me on  
I need to know

I need to know  
I need to know  
Baby, I need to know
