

We got somethin', we both know it, we don't talk too much about it  
Ain't no real big secret, all the same, somehow we get around it

Listen!

It don't really matter to me baby  
You believe what you want to believe

See, you don't have to live like a refugee  
(Don't have to live like a refugee)

Somewhere, somehow somebody must have kicked you around some  
Tell me why you want to lay there, revel in your abandon?

Honey! It don't make no difference to me baby  
Everybody's had to fight to be free

You don't have to live like a refugee (Don't have to live like a refugee)  
You don't have to live like a refugee (Don't have to live like a refugee)  
No!

**E** Baby we ain't the first

**A** I'm sure a lot of other lover's been burned

**D** Right now this seems real to you, but

**E** It's one of those things you gotta feel to be true

[Solo]

Somewhere, somehow somebody must have kicked you around some  
Who knows, maybe you were kidnapped, tied up, taken away and held for ransom

Honey, it don't really matter to me, baby  
Everybody's had to fight to be free

So you don't have to live like a refugee (Don't have to live like a refugee)  
No you don't have to live like a refugee (Don't have to live like a refugee)  
No you don't have to live like a refugee (Don't have to live like a refugee)
