E It was a beautiful day The sun beat down
I had the D radio on
                             I was E drivin'
{Riff}
                          Me and Del were singin'
E Trees went by
Little D Runaway
                            I was E flyin'
                                  That E never would G come to A me
Runnin' <mark>G</mark> down a E dream
Workin' on a <mark>G</mark> myst- <mark>E</mark> ery
                                       E Goin' where- G ever it A leads
              G down a E dream
{Riff}
E I felt so good
                         Like anything was possible
I hit D cruise control And rubbed my E eyes
{Riff}
The last three days

The rain was un-stoppable
It was D always cold
                            No sun E shine
Runnin' G down a E dream
                                  That E never would G come to A me
Workin' on a <mark>G</mark> myst- E ery
                                       E Goin' where- G ever it A leads
 Runnin'
              G down a E dream
{Riff}
[Interlude] {Riff} C (Ooh-ooh) {Riff} D (Ooh-ooh) {Riff} E (Ooh-ooh)
             {Riff} C (Ooh-ooh) {Riff} D (Ooh-ooh) {Riff} E (Ooh-ooh)
E I rolled on
                             The sky grew dark
I put the D pedal down To make some E time
{Riff}
E There's something good Waitin' down this road
I'm <mark>D</mark> pickin' up
                             Whatever's E mine
                                  That E never would G come to A me
Runnin'
         <mark>G</mark> down a <mark>E</mark> dream
 Workin' on a <mark>G</mark> myst- <mark>E</mark> ery
                                       E Goin' where- G ever it A leads
A Runnin' G down a E dream
{Riff}
             G down a E dream
                                  That E never would G come to A me
Runnin'
                                       E Goin' where- G ever it 🗛 leads
 Workin' on a G myst- E ery
Runnin'
              G down a E dream
