

Let's Go Crazy (With Chords)

Prince

Dearly beloved

We are gathered here today to get through this thing called life
Electric word, life. It means forever and that's a mighty long time
But I'm here to tell you, there's something else... the afterworld
A world of never-ending happiness, You can always see the sun, day or night
So when you call up that shrink in Beverly Hills - You know the one
[Drums enter] Dr. Everything'll-Be-Alright
Instead of asking him how much of your time is left
Ask him how much of your mind, baby
'Cause in this life, things are much harder than in the afterworld
In this life, you're on your own
