

Dearly beloved

We are gathered here today to get through this thing called life
Electric word, life. It means forever and that's a mighty long time
But I'm here to tell you, there's something else... the afterworld
A world of never-ending happiness, You can always see the sun, day or night
So when you call up that shrink in Beverly Hills - You know the one
[Drums enter] Dr. Everything'll-Be-Alright
Instead of asking him how much of your time is left
Ask him how much of your mind, baby
'Cause in this life, things are much harder than in the afterworld
In this life, you're on your own

And if the elevator tries to bring you down
Go crazy! Punch a higher floor

If you don't like	The world you're living in
Take a look around you	At least you got friends
You see I called my old lady	For a friendly word
She picked up the phone	Dropped it on the floor
"Uh uh" was all I heard	

Are we gonna let the elevator bring us down? (Oh no, let's go!)

Let's go crazy	Let's get nuts
Let's look for the purple banana 'til they put us in the truck - let's go!	

We're all excited	But we don't know why
Maybe it's 'cause	We're all gonna die
And when we do (When we do)	What's it all for (What's it all for)
You better live now	Before the grim reaper come knockin on your door

(Tell me) Are we gonna let the elevator bring us down (Oh no, let's go!)

Let's go crazy	Let's get nuts
Look for the purple banana 'til they put us in the truck - let's go!	

C'mon baby	Let's get nuts! Yeah
------------	----------------------

[Solo]

Are we gonna let the elevator bring us down? (Oh no, let's go!)

Let's (Go crazy)	(Wooh!)
(Let's go crazy)	(Let's go! Let's go! Go! Let's go!)

Dr. Everything'll-Be-Alright, will make everything go wrong
Pills and thrills and daffodils will kill - Hang tough, children

He's comin'... He's comin'... Comin'...

[Outro Lead]

Take me away!
