

You say you love me, and I hardly know your name
And if I say I love you in the candle light
There's no-one but myself to blame
But there's something inside, that's turning my mind away
Woah-oh-how I could love you, if I could let you stay

(It's late!) But I'm bleeding deep inside
(It's late!) Ooh, is it just my sickly pride?
(Too late!) Even now the feeling seems to steal away
(So late!) Though I'm tryin' I can't help but hear you say
It's late! It's late! It's late! But not too late

The way you love me, is the sweetest love around
But after all this time, the more I'm trying
The more I seem to let you down, yes
Now you tell me you're leaving, and I just can't believe it's true
Oh, you know that I can love you, though I know I can't be true
Aah, you made me love you, don't tell me that we're through

(It's late!) But it's driving me so mad
(It's late!) Yes I know, but don't try and tell me that (it's)
(Too late!) Save our love, you can't turn out the light
(So late!) I've been wrong but I'll learn to be right
It's late! It's late! It's late! But not too late

Mm-I've been so long, you've been so long
We've been so long tryin' to work it out
I ain't got long, you ain't got long
We've gotta know what this life's all about (ooh - tell me)

[Solo]

Tryin' to work it out... yeah
Ooh! Too late!
Too late! Much too late!
Aaah!

You're staring at me, with suspicion in your eye
You say what game are you playing? What's this that you're saying?
I know that I can't reply
If I take you tonight, is it making my life a lie?
Oh you make me wonder, did I live my life right?

(It's late!) Ooh! But it's time to set me free
(It's late!) Ooh-yes I know, but there's no way it has to be
(Too late!) So let the fire take our bodies this night
(So late!) Let the waters take our guilt in the tide
(It's late! It's late! It's late! It's late!)
(It's late! It's late! It's late!) Oh!
It's all too late

Woah, woah, c'mon
Ooh m m m m late, too late, oh yeah
