

Out on the streets	That's where we'll meet
You make the night	I always cross the line
Tightened our belts	Abused ourselves
Get in our way	We'll put you on your shelf
Another day	Some other way
We're gonna go	But then we'll see you again
I've had enough	We've had enough
Cold in vain	She said...

I knew right from the beginning	That you would end up winnin'
I knew right from the start	You'd put an arrow through my heart

Round and round!	With love we'll find a way just give it time
Round and round!	What comes around goes around, I'll tell you why

Dig!	
Lookin' at you	Lookin' at me
The way you move	You know it's easy to see
The neon light's	On me tonight
I've got a way	We're gonna prove it tonight
Like Romeo	To Juliet
Time and time	I'm gonna make you mine
I've had enough	We've had enough
It's all the same	She said...

I knew right from the beginning	That you would end up winnin'
I knew right from the start	You'd put an arrow through my heart

Round and round!	With love we'll find a way just give it time
Round and round!	What comes around goes around, I'll tell you why... Yeah!

Out on the streets	That's where we'll meet
You make the night	I always cross the line
Tightened our belts	Abused ourselves
Get in our way	We'll put you on your shelf

Round and round!	With love we'll find a way just give it time
Round and round!	What comes around goes around, I'll tell you why
Round and round!	With love we'll find a way just give it time (time time..)
Round and round!	What comes around goes around, I'll tell you why (why why)
Round and round!
