

I've had nothing but bad luck
Since the day I saw the cat at my door
So I came into you sweet lady
Answering your mystical call

Crystal ball on the table Showing the future, the past
Same cat with them evil eyes And I knew it was a spell she cast

She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you!
She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you from behind

Give me the ring on your finger
Let me see the lines on your hand
I can see me a tall dark stranger
Giving you what you hadn't planned

I drank the potion she offered me I found myself on the floor
Then I looked in those big green eyes And I wondered what I came there for

She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you!
She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you from behind

If you're out on a moonlit night
Be careful of them neighbourhood strays
Of a lady with long black hair
Tryin' to win you with her feminine ways

Crystal ball on the table Showing the future, the past
Same cat with them evil eyes You'd better get out of there fast

She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you!
She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you!

She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you! (Ahhhh!)
She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you! (Get you!)

She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you!
She's just a devil woman With evil on her mind
Beware the devil woman She's gonna get you!
