

I wanna tell you how it's gonna be
You're gonna give your love to me
I'm gonna love you night and day

Love is love and not fade away
Well love is love and not fade away

And my love's bigger than a Cadillac
I'll try to show it if you drive me back
Your love for me has got to be real
Before you'd have noticed how I feel

Love's real not fade away
Well love's real not fade away

Yeah!
[Solo]

I wanna tell you how it's gonna be
You're gonna give your love to me
Love that lasts more than one day

Well love is love and not fade away
Well love is love and not fade away
Well love is love and not fade away
Well love is love and not fade away
Not fade away
Not fade away
