

It's early morning, the sun comes out  
Last night was shaking, and pretty loud  
My cat is purring, and scratches my skin  
So what is wrong with another sin?  
The bitch is hungry, she needs to tell  
So give her inches, and feed her well  
More days to come, new places to go  
I've got to leave, It's time for a show!

Here I am, rock you like a hurricane!  
Here I am, rock you like a hurricane!

My body's burning, it starts to shout  
Desire is coming, It breaks out loud  
Lust is in cages, 'til storm breaks loose  
Just have to make it, with someone I choose  
The night is calling, I have to go  
The wolf is hungry, he runs the show  
He's licking his lips, he's ready to win  
On the hunt tonight for, love at first sting

Here I am, rock you like a hurricane! (are you ready, baby?)  
Here I am, rock you like a hurricane!  
Here I am, rock you like a hurricane! (cmon, cmon baby!)  
Here I am, rock you like a hurricane! Rock you like a hurricane!
