

Time... it needs time... To win back your love again
I will be there I will be there
Love, only love Can bring back your love someday
I will be there I will be there

Fight! Baby I'll fight To win back your love again
I will be there I will be there
Love, only love Can bring down the wall someday
I will be there I will be there

If we'd go again, all the way from the start
I would try to change the things that killed our love
Your pride has built a wall so strong that I can't get through
Is there really no chance to start once again?
I'm loving you...

[Lead]

Try! Baby, try To trust in my love again
I will be there I will be there
Love! Our love Just shouldn't be thrown away
I will be there I will be there

If we'd go again, all the way from the start
I would try to change the things that killed our love
Your pride has built a wall so strong that I can't get through
Is there really no chance to start once again?

If we'd go again, all the way from the start
I would try to change the things that killed our love
Yes, I've hurt your pride, and I know what you've been through
You should give me a chance, this can't be the end

I'm still loving you
I'm still loving you
I'm still loving you I need your love!
I'm still loving you Still loving you, baby! Wooh!
