

We'll do it all... Everything... On our own
We don't need... Anything... Or anyone

If I lay here... If I just lay here...
Would you lie with me and just forget the world?

I don't quite know... How to say... How I feel
Those three words... Are said too much... They're not enough

If I lay here... If I just lay here...
Would you lie with me and just forget the world?
Forget what we're told... Before we get too old...
Show me a garden that's bursting into life

Let's waste time... Chasing cars... Around our heads
I need your grace.. To re-mind me... To find my own

[Heavier]

If I lay here... If I just lay here...
Would you lie with me and just forget the world?
Forget what we're told... Before we get too old
Show me a garden that's bursting into life
All that I am... All that I ever was...
Is here in your per-fect eyes, they're all I can see
I don't know where... Confused about how as well...
Just know that these things will never change for us at all

If I lay here... If I just lay here...
Would you lie with me and just forget the world?
