

You been bad  
Don't do what I say  
You don't listen  
And you never obey  
I try to teach you  
But you just won't be good

You won't behave the way a big girl should  
It's time to give that whip a crack  
I'm gonna have to send you back to

Bitch School!  
Bitch School!

You're a beauty  
You're the best of your breed  
You're a handful  
And I know what you need  
You need training  
Gonna bring you to heel

I'm gonna break you with my will of steel  
Discipline's my middle name  
And no one comes back the same from

Bitch School!  
Bitch School!

No more sniffing strangers  
Or running free at night  
You think my bark's bad, honey  
Wait 'til you feel my bite  
Wait 'til you feel my bite!

[Solo]

You got problems  
You whine and you beg  
When I'm busy  
You wanna dance with my leg  
I'm gonna chain you  
Make you sleep out of doors

You're so fetching when you're down on all fours  
And when you hear your master  
You will come a little faster, thanks to

Bitch School!  
Bitch School!  
Bitch School! Gonna have to take you back to  
Bitch School!
