

Let me take you baby  
Down to the river bed  
Got to tell you somethin'  
Go right to your head

(I) I got a line (I got a line) on you (I got a line on you babe)  
(I) I got a line (I got a line) on you (I got a line on you babe)

Gotta put your arms around me  
With every bit of your love  
If you know what to do  
I'll make love to you  
Cause you got the right line to make it (through these times)

(I) I got a line (I got a line) on you (I got a line on you babe)  
(I) Cos I got a line (I got a line) on you (I got a line on you babe)

[Solo]

(I) I got a line (I got a line) on you (I got a line on you babe)  
(I) I got a line (I got a line) on you (I got a line on you babe)

Well listen, my winter's almost over  
My summer, she's comin' on strong  
I can (love you, love you, love you, love you all year long)

(I) I got a line (I got a line) on you (I got a line on you babe)  
(I) I got a line (I got a line) on you (I got a line on you babe)  
(I) I got a line (I got a line) on you (I got a line on you babe)  
(I) I got a line (I got a line) on you (I got a line on you babe)  
(I) I got a line (I got a line) on you (I got a line on you babe)  
(I) (I got a line) (I got a line on you babe)
