

Get your motor runnin'
Lookin' for adventure

Head out on the highway
And whatever comes our way

Yeah Darlin' go make it happen
Fire all of your guns at once and

Take the world in a love embrace
Explode into space

I like smoke and lightning
Racin' with the wind

Heavy metal thunder
And the feelin' that I'm under

Yeah Darlin' go make it happen
Fire all of your guns at once and

Take the world in a love embrace
Explode into space

Like a true nature's child
We can climb so high

We were born, born to be wild
I never... wanna die

Born to be wild!

Born to be wild!

[Interlude]

Get your motor runnin'
Lookin' for adventure

Head out on the highway
And whatever comes our way

Yeah Darlin' go make it happen
Fire all of your guns at once and

Take the world in a love embrace
Explode into space

Like a true nature's child
We can climb so high

We were born, born to be wild
I never wanna die

Born to be wild!

Born to be wild!

[Outro]
