Is it getting better Or do you feel the same

Will it make it easier on you now You got someone to blame, you say

One love One life

One love We get to share it Leaves you baby if you Don't care for it

Did I disappoint you Or leave a bad taste in your mouth

You act like you never had love And you want me to go without... well it's

Too late Tonight

To drag the past out Into the light

We're one, but we're Not the same, we get to Carry each other Carry each other - One!

Have you come here for forgiveness Have you come to raise the dead

Have you come here to play Jesus To the lepers in your head

Did I ask too much More than a lot You gave me nothing Now it's all I got

We're one but we're Not the same

Well we hurt each other Then we do it again, you say

Love is a temple Love a higher law

Love is a temple Love the higher law

You ask me to enter But then you make me crawl

And I can't be holding on To what you got... when all you got is hurt

One love One blood

One life You got to do what you should

One life With each other

Sisters Brothers

One life, but we're Not the same, we get to Carry each other Carry each other - One!

One!
