

Don't wanna wait til tomorrow
Why put it off another day
One more walk through problems
Built up and stand in our way - Oh!

One step ahead, one step behind me
Now you gotta run to get even
Make future plans, don't dream about yesterday, hey!
C'mon turn, turn this thing around

(Right now!) Hey! It's your tomorrow
(Right now!) C'mon, it's everything
(Right now!) Catch a magic moment
Do it right here and now
It means everything

Miss the beat, you lose the rhythm
And nothing falls into place - No!
Only missed by a fraction
Slipped a little off your pace - Oh!

The more things you get the more you want
Just trade in one for the other
Workin' so hard to make it easier - Whoa!
Got to turn - C'mon! Turn this thing around

(Right now!) Hey! It's your tomorrow
(Right now!) C'mon, it's everything
(Right now!) Catch a magic moment
Do it right here and now
It means everything

It's enlightened me
Right now
What are you waitin for?
Oh!
Yeah!
Right now!

[Solo]

(Right now!) Hey! It's your tomorrow
(Right now!) C'mon, it's everything
(Right now!) Catch that magic moment and
Do it right here and now - Oh!
Right now
It's what's happening
Right here and now
Right now
It's right now
Ohhhhh!
Tell me, what are you waiting for?
Turn this thing around
