

Oh yeah aw

You better call me a doctor
Feelin' no pain
Overloaded, down the drain
(Somebody get me a doctor!)

You better call up the ambulance
I'm deep in shock
Overloaded, baby
I can hardly walk
(Somebody get me a doctor!) Ooh
(Somebody get me a doctor!)

Aww! Feelin' over fine
And I'm speedin' down that line

[Solo]

Aw aw yeah yeah

Oh aw uh
Ya better call up the doctor
Feelin' high
I'm Overloaded baby, I said bye-bye
(Somebody get me a doctor!) Oh yeah
(Somebody get me a doctor!) Ooh, ooh
(Somebody get me a doctor!) Awww yeah!

Uh somebody give me a shot!
