

Where Have All the Good Times Gone

Van Halen

All my life I've never stopped to worry about a thing
Open up and shout it out, an' never try to sing
Wondering if I've done it wrong
Will this depression last for long?

Won't you tell me
(Where have all the good times gone?)
(Where have all the good times gone?)
(Where have all the good times gone?)

Once we had an easy ride and always felt the same
Time was on our side and we had everything to gain
This could be like yesterday
Is that me or happy days?

Ma and pa look back on all the things they used to do
Never had no money and they always told the truth
Daddy didn't need no little toys
Mommy didn't need no little boys

Won't you tell me
(Where have all the good times gone?)
(Where have all the good times gone?)
(Where have all the good times gone?)

Ow!

[Solo]

Yesterday was such an easy game for you to play
Ah but then let's face it, things are easier today
Yes you need some bringing down
Get your feet back on the ground
