

I go ooh ooh, you go ahh ahh lalalala alalala

I can't lie-lie-lie-la-lie-lie  
I wanna-wanna-wanna get-get-get what I want, don't stop  
Gimme-gimme-gimme what you got-got  
Cause I can't wait-wait-wait any m-more-more-more  
Don't even talk about the consequence  
Cos right now you're the only thing that's making any sense to me  
And I don't give a damn what they say or what they think-think  
Cause you're the only one who's on my mind  
I'll never ever let you leave me  
I'll try to stop time for ever, never wanna hear you say goodbye (bye bye bye)

I feel so untouched and I want you so much  
That I just can't resist you  
It's not enough to say that I miss you  
I feel so untouched right now  
Need you so much somehow  
I can't forget you  
Been going crazy from the moment I met you

Untouched... and I need you so much

See you, breathe you, I want to be you Alalala alalala  
You can take-take take-take-take time-time  
To live-live the way you gotta-gotta live your life  
Gimme-gimme-gimme all of you-you, don't be scared  
I'll see you through the loneliness of one more-more-more  
Don't even think about what's right or wrong, wrong or right  
'Cause in the end it's only you and me and no one else is gonna be around  
To answer all the questions left behind  
And you and I are meant to be so even if the world falls down today  
You've still got me to hold you up-up  
And I will never let you down (down)
