

All my friends know the low rider
The low ri- der is a little higher

{Riff-A} {Riff-A} {Riff-B}

Low ri- der drives a little slower
Low ri- der is a real goer

{Riff-A} Hey! {Riff-A} {Riff-B}

Low ri- der knows every street, yeah
Low ri- der is the one to meet, yeah

{Riff-A} {Riff-A} {Riff-B}

Low ri- der don't use no gas, now
Low ri- der don't drive too fast

{Riff-A} {Riff-A} {Riff-B}

Take a little trip, take a little trip, take a little trip and see
Take a little trip, take a little trip, take a little trip with me

{Riff-A} {Riff-A} {Riff-B}
