

Once I thought I saw you in a crowded hazy bar
Dancing on the light from star to star
Far across the moonbeam, I know that's who you are
I saw your brown eyes turning once to fire

You are like a hurricane, there's calm in your eye
And I'm gettin' blown away
To somewhere safer, where the feeling stays
I want to love you but, I'm getting blown away

I am just a dreamer, but you are just a dream
You could have been anyone to me
Before that moment, you touched my lips
That perfect feeling, when time just slips
Away between us, on our foggy trip

You are like a hurricane, there's calm in your eye
And I'm gettin' blown away
To somewhere safer, where the feeling stays
I want to love you but, I'm getting blown away

I am just a dreamer, but you are just a dream
You could have been anyone to me
Before that moment, you touched my lips
That perfect feeling, when time just slips
Away between us, on our foggy trip

You are like a hurricane, there's calm in your eye
And I'm gettin' blown away
To somewhere safer, where the feeling stays
I want to love you but, I'm getting blown away
