CURIOSITY EP

**1 CALL ME MAYBE 2 CURIOSITY 3 PICTURE 4 TALK TO ME
5 JUST A STEP AWAY 6 BOTH SIDES NOW**

CALL ME MAYBE

I threw a wish in the well
Don't ask me I'll never tell
I looked at you as it fell
And now you're in my way

I trade my soul for a wish
Pennies and dimes for a kiss
I wasn't looking for this
But now you're in my way

Your stare was holding
Ripped jeans
Skin was showing
Hot night
Wind was blowing
Where you think you're going baby?

Hey I just met you
And this is crazy
But here's my number
So call me maybe
It's hard to look right at you baby
But here's my number
So call me maybe

Hey I just met you
And this is crazy
But here's my number
So call me maybe
And all the other boys
Try to chase me
But here's my number
So call me maybe

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still you're in my way

I beg and borrow and steal
At first sight and it's real
I didn't know I would feel it
But it's in my way

Your stare was holding
Ripped jeans
Skin was showing
Hot night
Wind was blowing
Where you think you're going baby?

Hey I just met you
And this is crazy
But here's my number
So call me maybe
It's hard to look right at you baby
But here's my number
So call me maybe

Before you came into my life
I missed you so bad
I missed you so so bad
Before you came into my life
I missed you so bad
And you should know that
I missed you so so bad, bad, bad, bad....

It's hard to look right at you baby
But here's my number
So call me maybe

Hey I just met you
And this is crazy
But here's my number
So call me maybe
And all the other boys
Try to chase me
But here's my number
So call me maybe

Before you came into my life
I missed you so bad
I missed you so so bad
Before you came into my life
I missed you so bad
And you should know that
So call me maybe

CURIOSITY

Break a bone
Got me on my knees
You break my heart
Just to watch it bleed

I'm sick with love
Sick like a disease
Don't call me up
Just so I can please you

I can't stand the way you're smiling
I can't stand the way I'm lying

I know, I know, I know you got the key
And you know, you know, you know that it's for me
It's not up to you, you know it's up to me but
Curiosity will never let me go

Oh oh oh oh oh oh
Uh oh
Oh oh oh oh oh oh
Will never let me go
Oh oh oh oh oh oh
Uh oh
Oh oh oh oh oh oh

Look at me
Left here in the corner
Stupid girl
I really tried to warn her

Walked the streets all night
Until you came around
Knew that you would come
Before you ever even made a sound

I know, I know, I know you got the key
And you know, you know, you know that it's for me
It's not up to you, you know it's up to me but
Curiosity will never let me go

Oh oh oh oh oh oh
Uh oh
Oh oh oh oh oh oh
Will never let me go
Oh oh oh oh oh oh
Uh oh Curiosity

So don't break me tonight
This is crazy love
And you know I'm gunna follow you home
Through the rain
Cause I need your love
And you know I'm gunna follow you home

Cause I need your love and you know I'm going to follow you...

I know, I know, I know you got the key
You know, you know, you know that it's for me
Well I think that we should try it out to see yeah
Curiosity

So don't break me tonight
This is crazy love
And you know I'm gunna follow you home
Through the rain
Cause I need your love
Yes I need your love

So don't break (don't break) me tonight (me tonight)
This is crazy love
And you know I'm gunna follow you home
Through the rain
Cause I need your love
Yes I need your love

Will never let me go
Oh oh oh oh oh oh
Uh oh
Oh oh oh oh oh oh
Will never let me go
Oh oh oh oh oh oh
Uh oh Curiosity will never let me go

PICTURE

I could take a picture
Of you and me together
No one would believe me
No one would believe me

Say it in a whisper
That baby it don't get much better
Would I like to see you again?

You name the day
And I will pick the city
We'll fly away
Till then, call me when you miss me
If you're asking if I'd really like to see you again
I say oh... just say when

Tell me that you feel it
This you and me together
No one would believe me
Even I cannot believe it

You kiss me like you mean it
Oh baby, it don't get much better
Would I like to see you again?

Darling just say when

You name the day
And I will pick the city
We'll fly away
Till then, call me when you miss me
If you're asking if I'd really like to see you again
I say oh... just say when

Two different worlds
I thought they'd keep us apart
I'm ignoring my head
Follow my heart

Oh you pick the day
And I will pick the city
We'll fly away
Till then, call me when you miss me
I am willing to wait
Cause I just gotta see you again
Don't ask no... just say when

Just say when...

I could take a picture
Of you and me together
No one would believe me
No one would believe me

TALK TO ME

Every morning
As I go walking by
I feel you looking
That's why I take my time
Oh oh yeah

I can see what 'cha wanna do to me
You can feel it something's gonna break
Well I'm in if you're in
Let's make a big mistake

Talk to me, why won't you talk to me
Can't you see I'm burning up
When you look like that
And I'm looking right back
Why don't you talk to me
Walk with me baby

When he's singing his song
Well all the young girls sigh
And we'll be wearing those things
That make a grown man cry
Oh oh yeah yeah

I can see what 'cha wanna do to me
You can feel it something's gonna break
Well I'm in if you're in
Let's make a big mistake

Talk to me, why won't you talk to me
Can't you see I'm burning up
When you look like that
And I'm looking right back
Why don't you talk to me
Walk with me baby

Come on take me away
I've been yours from the start
Summer nights, summer days
I'll be your summer heart

Come on take me away
I've been yours from the start...

When it's love like that
And you look like that

Talk to me, why won't 'cha talk to me
Can't you see I'm burning up
When you look like that
And I'm looking right back
Why don't 'cha talk to me
Walk with me baby

Come on take me away
I've been yours from the start
Summer nights, summer days
I'll be your summer heart

Come on take me away
I've been yours from the start

Talk to me, why won't you talk to me
Can't you see I'm burning up
When you look like that
And I'm looking right back
Why don't you talk to me talk to me
Why won't 'cha talk to me

JUST A STEP AWAY

In the space between the words
In the silence of your eyes
In the hands that know the touch
It's the way I feel inside

Here we are
Dancing cross this floor together
With every step I take I seem to want you more than ever
You made me love you
Look into my eyes
I want to tell you

I'll never let you down
And I'll never go away
And if your ever feeling down
I'm just a step away

I'll never let you down
And I'll never go away
And if your ever feeling down
I'm just a step, just a step, just a step away

It's the beating of your heart
It's the tear I have to hide
It's the sound of your guitar
It's the way I feel inside

Here we are
Dancing cross this floor together
With every step I take I seem to want you more than ever
You made me love you
Look into my eyes
I want to tell you

I'll never let you down
And I'll never go away
And if your ever feeling down
I'm just a step away

I'll never let you down
And I'll never go away
And if your ever feeling down
I'm just a step, just a step, just a step away

If you need a shoulder
Or someone to hold you
I'll keep my arms open wide
I'll be the one who loves you
I'll be right there by your side

Here we are
Dancing cross this floor together
With every step I take I seem to want you more than ever
You made me love you
Look into my eyes
I want to tell you

I'll never let you down (I'll never let you down)
And I'll never go away (And I'll never go away)
And if your ever feeling down (And if your ever feeling down)
I'm just a step away

I'll never let you down
And I'll never go away
And if your ever feeling down
I'm just a step away

I'll never let you down
And I'll never go away
And if you're ever feeling down
I'm just a step, just a step, just a step away

In the space between the words
In the silence of your eyes
In the hands that know the touch
It's the way I feel inside

IN THE SPACE BETWEEN THE WORDS

BOTH SIDES NOW

Bows and flows of angel hair
And ice-cream castles in the air
Feather cannons everywhere
I've looked at clouds that way

Now they only block the sun
They rain and snow on everyone
So many things I would have done
But clouds got in my way

I've looked at clouds from both sides now

I've looked at clouds from both sides now
From up and down and still somehow
It's clouds illusions I recall
I really don't know clouds at all

Moons and Junes and ferris wheels
The dizzy, dancing way you feel
When every fairy tale comes real
I've looked at love that way

But now it's just another show
You leave 'em laughing when you go
And if you care don't let them know
Don't give yourself away

I've looked at love from both sides now
From give and take and still somehow
It's loves illusions I recall
I really don't know love at all

Tears and fears and feeling proud
To say I love you right out loud
Dreams and schemes and circus crowds
I've looked at life that way

But now old friends are acting strange
They shake their heads
They say I've changed
Well somethings lost and somethings gained in living every day

I've looked at life from both sides now

I've looked at life from both sides now
From win and loose and still somehow
It's lifes illusions I recall
I really don't know life

I've looked at clouds from both sides now
From up and down and still somehow
It's clouds illusions I recall
I really don't know clouds at all

I really don't know life at all

I'VE BEEN YOURS
FROM THE START

TEAR
AND I
TO SAY
RIGHT
DREAMS
AND CIRCUS
CROWDS
